Dear Balaji,

Please accept this letter as a formal notification that I am resigning from my position as Sr. Research Engineer with LG Soft India. I have been accepted into a few PhD programs in Europe, and would like to continue my research during my PhD. I would be serving the usual notice period with LG. But It would be great if you can reduce it to the end of December, as I intend to start my PhD from January 2022.

Thanks,

Anindya S. Das
